

Teri Lucas Zoom Class – 05/19/2023

\$120.00

9 AM - 4 PM Eastern (8 AM – 3 PM Central)

Color, Thread & Free-Motion Quilting: Learn to Stitch with Reckless Abandon

Stippling and stitch in the ditch are machine quilting go-to's with good reason. Let's let our foot loose and explore fun free-motion stitching. We will play with design, thread, fabric and batting to create some fun, one-of-a-kind quilts. This class focuses on trying new-to-us motifs, using our imagination and going for it with machine quilting on a domestic sewing machine. This is suitable for an advanced beginner/intermediate quilter.

A few days before the class I will send out a pdf with two or three options for the quilting design you will work on during class. We will take 30 minutes for lunch around 11:45 central and at least one other 15 minute break during the afternoon because we all need coffee. Part of the class is lecture/demo and part stitching.
